This is Us: FCFTucson 2019

Text: Matthew 9:35-10:1,5 / Luke 19:10

This month we've been revisiting WHO we are & WHY we are here as a church. We looked at our Mission, Strategy, & Values. Today, we're going to discuss some objectives for 2019.

Jesus was on a mission Luke 19:10 / John 3:16

- ❖ It touched the **World**, the **Community**, & disciples **where they lived**.
 - Jesus actively pursued the completion of His mission. Matt 9:35
 - Things we see about His Mission:
 - **He had help. He didn't do it alone.**
 - **He didn't minister to perfect people.** v36
 - **He didn't minister to people that were JUST like HIM.**
 - **He didn't just minister to disciples (local church group).**
 - He was on a BIG mission – to complete it would require faith-filled prayer & people.
 - Prayer & faith go together. Jam 1:6, Mk 11:22-24, Heb 11:6
- ❖ **We will be looking at FAITH this year.** It is FAITH that makes every God-given promise & MISSION POSSIBLE.
 - **V36 While in the community** Jesus allowed compassion to flow.
 - We have a number of relationships in our community where compassion flows: PCJ, Wilmot Prison, Gospel Rescue Mission, Casas Adobes Rehabilitation Center, Dorothy @VA
 - 2019 we will continue & strengthen our relationship with Tully Elementary School.
- ❖ **Relationship & Fellowship were a part of Solution.** Matt 10:1, 5
 - While I was away fasting and praying for this year, the Lord gave US 3 projects that touch these areas.
 - To the WORLD
 - To our COMMUNITY
 - Together to share our presence in our NEIGHBORHOOD

2019 Projects

- Our Mission to the **World** - Circle the Caribbean with FMTI
 - There are 44 nations in the Caribbean that we want to send FMTI-in-a-Flash. **#TogetherWeCan**
- Here's how to help:

- PRAYER
 - PEOPLE – create mailing list, copy flash drives, prepare packaging
 - GIVE – toward supply & shipping costs
- Our Mission to the **Community** – BLESS the Educators
 - Tully Elementary Magnet School – The Lord is asking US to Re-strengthen and EXPAND our relationship with TULLY.
 - Blessing the school is sowing into a community need.
 - This school year we have provided breakfast and snacks twice on staff in-service days while kids are out.
 - We're also looking for other ways to bless and extend our relationship and support to the school and their staff.
 - Back to School Baskets in the Fall, random gift-cards for staff, other resources, IDEAS?
 - Our Mission to the **Neighborhood** – Let's eat! Bless Businesses.
 - While praying, I saw FCFTucson sitting at different tables in a restaurant & fellowshiping. The wait staff, cooks, and everyone were shocked... and asking questions about YOU and FCFTucson.
 - It is an intentional way to be sent, where we will strengthen and establish relationships with one another, (going out with people who aren't already your best friends)
 - We will connect with one another.
 - We will connect with the neighborhood.
 - ◆ Leave our FCFTucson business card, a kind word, and a nice tip. (FCFTucson will provide \$3 to leave as a tip per person)
 - The staff will be extremely BLESSED.

A family in the **This is US, FCFTucson**

- A family in the family of GOD
- A people of **Faith** – we please God (Heb11:6), We trust God (Mk 11:22), & we see the impossible made possible (Mk 9:23)
- **Christian** – growing & desiring to be more like & represent JESUS in all we do.
- **Fellowship** – We're all in this together, centered around the REALITY of what we have in Him!
